Community Cares Program

In partnership with AmeriCorps Tennessee Communities Assistance Corporation, the Crossville Housing Authority provides

Community Cares members who serve the elderly and disabled residents in CHA public housing communities. A personalized assistance plan will be formulated depending on the needs of eligible individuals.

Community Cares members provide a variety of services ranging from transportation assistance to light housekeeping and even personal care services.

Cyndie Dyal, our Resident Initiatives Coordinator will be available to answer your questions, and evaluate your eligible services needs. You may reach her at:
